Re: Invitation to serve on the Reestablished General Notices Project Team

CC: Jessica Simpson, Manager, Compendial Operations, USP

The United States Pharmacopeial (USP) will be reestablishing the General Notices Project Team. I am pleased to formally invite you to become a member of the Reestablished General Notices Project Team.

**Charge:**

*The purpose of this Project Team will be to continue a dialogue between stakeholders and USP regarding the USP-NF General Notices to:*

- Propose revisions to USP's General Notices
- Review and provide feedback on revisions to General Notices
- Consider communication of General Notices-related initiatives to industry, regulatory, and other stakeholders
